Senior Housing Member's Learning Activity

Start

Icebreaker
(Getting to know each)

Create the Team
(Forming community)

Selecting your Problem

Possible solutions

Testing and Reporting

The ability to work as part of a community is one of the most important skills in today's society. **We are looking for motivated people to join a self-empowered, online team that meets periodically (usually weekly) and provides a challenging and stimulating experience.**

Sharing your wisdom!

Learning Tools that build on your strength

➢ Stimulating interaction!
➢ New easy to learn skills ex "5 Whys"
➢ Learning some easy problem-solving techniques
➢ Root cause… Finding the real problem
➢ Get to know your teammates better
➢ ENJOYABLE Activity!

Outcomes (Facility):

Added Activity	Benefits members
Selling item	

Outcomes (Members):

Relationships	Have fun
Help others	Learn new skills
Make things better	

Plan:

Project Academy is doing this as part of its mission to make our community a little bit better. **This is a no-cost activity for the Senior Housing Facility Participant's needs:** Use of Zoom on-line tool & Google classroom, Open mind to meeting new people and ideas. *We will help set-up software*

Program requirements: Approx… 10/sessions at approx.2 hours/week, willing to change schedules based on community needs. *Initial group 6 to 10 people*

Meeting date for new teams are starting from Jan. 2021
