

Senior Housing Member's Learning Activity

<p>6 to 10 Individuals</p>  <p>Tap our Wisdom</p>	<p>Methods... Foundations skills</p> 	 <p>Building community</p>						
<p>What's the problem we want to solve? <i>Reframing the problem, Root cause analysis</i></p>	<p>Problem selection & solving</p> 	 <p>Process</p>						
<p>Testing & Reporting</p> 	<p>Outcomes:</p> <table border="1"> <tr> <td>Relationships</td> <td>Have fun</td> </tr> <tr> <td>Help others</td> <td>Your growth</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>		Relationships	Have fun	Help others	Your growth		
Relationships	Have fun							
Help others	Your growth							

Plan:

Project Academy is doing this as part of its mission to make our community a little bit better.

Participant's needs: Use of Zoom on-line tool & Google classroom, Open mind to meeting new people and ideas. **We will help set-up software**

Program requirements: Approx... 10/sessions at approx.2 hours/week, willing to change schedules based on community needs.

Meeting date for new teams are starting from Jan. 2021

Who to Contact: Bill Wolfson billw@projectacademy.org Cell 508-380-3747
