### Characteristic of people in a team: Who are you?

Overcoming issues through understanding individual behaviors

Marston's DISC model:

The four styles are:

- Dominance – direct, results oriented, firm, strong-willed, forceful. Can be seen as intimidating.
- Influence – outgoing, enthusiastic, optimistic, high-spirited, lively. Can be seen as overly optimistic.
- Steadiness – even-tempered, accommodating, patient, humble, tactful. Can be seen as indecisive.
- Conscientiousness – analytical, reserved, precise, private, systematic. Can be seen as halting progress due to over analyzing and slow decision making.
