

List and describe any key partners

The following is a list of key organizations that Project Academy would like to partner with and use their products to enhance our delivery. We are looking to partner with non-profits that provide, life-skill training programs, overall training programs and a university (like Olin College) that can support problem-solving and team development

- <https://www.overcomingobstacles.org/> Overcoming obstacles is a nonprofit education publisher.
- <https://casel.org/> SEL learning
- <https://www.careerwisecolorado.org/> Modern apprenticeships that provide students with multiple pathways to success
