

# Summary Sheet: Pre-Employment Program for young adults:

**Join our program:** Be successful to dream:

Process: Students become cognitively aware of their life-skills

<b>Mindset Thinking:</b>	
<b>Owners mindset thinking</b>	Students are shown how to be an owner of their own business; what's involved with their customers, suppliers and staff. Thinking like an owner allows you to interface and understand your boss and constantly improving your skills.
<b>Engineering mindset thinking</b>	Activities around the process that cover all the details to make it successful. Its assuring that all the team are aware of items, deliverables are met, problems solved, and the customer is informed.
<b>Growth mindset</b>	Brain Plasticity... The brain is like a muscle ... Use it or lose it.
