

## Marketing Template – Selling Modules and PD to education organizations

Heading	Description
<b>Need:</b> we provide professional development to the customer to train their staff about our modules and their use and/or add additional foundational and life skills.	Educational schools and training companies lack the modules documents and processes that are offered. Project Academy syllabus can be divided into modules to be used by the client in their particular environment. <b><i>As an example, the potential customer may train students in coding but does not have a module for teamwork.</i></b> In addition, our approach is to work with the client and custom our processes to their needs.
<b>Potential Markets:</b>	<ul style="list-style-type: none"> <li>• Community Colleges</li> <li>• Tech HS</li> <li>• Corporate training programs</li> <li>• Non-profit drug recovery programs</li> <li>• Veteran organizations</li> <li>• Youth released from prison program</li> </ul>
<b>Our value system</b>	Recognize that we are all different but as human beings there is some good in each of us. <b>Wisdom:</b> good decisions and taking the path that provides value to all (society) <b>Community:</b> People and relationships count <b>Social justice:</b> leaving the world a better place than you found it <b>Purpose:</b> Sense of direction that you achieve, the goals you set
