

# Project Academy at a Glance

## A Bit of Background

Project Academy is a 501 (C)3 non-profit corp. whose purpose is to serve the community by successfully preparing entry level people & high school students to be productive in the work environment, education & society organizations. Our students see themselves as owners of their own business with a positive attitude, caring for the customers with continuous improvement and looking to learn and get better at what they do.

## Entering the Workforce

The purpose of Project Academy is to serve the community by successfully preparing entry level people (HS drop-outs/ HS graduates) to be productive in the work environment & society. The pre-employment school is a 4/16-week course where students in a multiple learning mode experience teamwork, problem solving, field trips to organizations, how to operate as your own business and learning the skills around the engineering mind-set. The program will incorporate skills needed by our corporate partners.

## After School programs

At Project Academy, we are a provider after-school programs for middle & high school students of life skills needed in business, educational and society.

## Customized Life-Skill learning

With this initiative, our goal is to promote great opportunities for those in need. With access to the right resources, people can become empowered by their own abilities and gain the confidence to fulfill their potential. Learn more about our work by getting in touch with our team today.
