

What we are going to do?

- Get to know each other and yourself
- Create an environment/culture to work in
- Set-up a team (like a sports team)
- Pick a problem to work on
- Use the problem-solving process to collect ideas and pick a good solution
- Create a presentation and share it
- You work with other & Celebrate/ Reflect!!

Learn: Life Skills, Study tools, Mind-set thinking, Tools to build community, Problem-Solving, How to deal with adversity in life.
