Learning Targets	Represent Clear, Manageable Goals
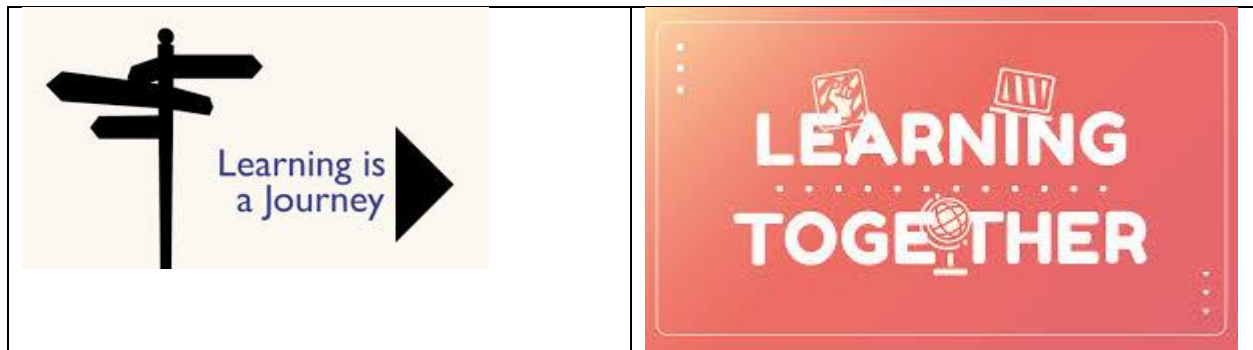

Section: bb1-problem

Develop learning targets for myself using "I Can…

Section	Learning targets
Introduction	Discuss the purpose of a team in the problem solving process.
Peer creation	Can we break into a peer team of 6 and design the problem-solving process tutorial?
Other ways to look at the problem	Can I modify the format of the problem solving process that would help make it more understandable?
Creating a learning opportunity- Root cause	Can I create with my learning buddy a tutorial for others about selection method?
Create a tutorial	Why I love Shaping
Reflection	I can discuss what I learned and what I need more help with.

Notes:

What learning elements do we want to take away from doing this section of the project.

Do we want to add or modify our targets?
