| Learning Targets	Represent Clear, Manageable Goals

Section: bb1-team

Develop learning targets for myself using "I Can…

Section	Learning targets
Introduction	Discussion and sharing thoughts about elements of a team/crew. What do we want to be called?
Working in a large peer group	How did it work compared to a two member peer group?
Dealing with adversity	I can understand the steps in the process
Dealing with new life-skills/ foundational skills	I can articulate these different skills
Discuss the Charter/ Culture of an organization	I can see the connection of my team organization to that of a companies culture.
Reflection	I can discuss what I learned and what I need more help with

Notes:

What learning elements do we want to take away from doing this section of the project.
